way of life. We request you to be our ambassadors and inform your nearest and
dearest from around the world about this historic event.

Some of the celebrated Goans who will be addressing the 2008 Goan Convention:

Welcome to the homepage of the
historic 2008 Goan International
Mega-Convention to be hosted at
the lovely Mississauga
University of Toronto (UTM),
from 23 - 27 July 2008. Goa has
been a fascinating secret for 5
centuries - a Latin enigma buried
in the heart of Asia. Now for the
first time Goa opens its doors to
international visitors, scholars
and groups as Goa stands at this
critical cross-roads to re-
examine its identity. This is an
ideal opportunity for Goans all
over the world to renew social
contacts, and join our visitors to
experience authentic Goan
culture, music, cuisine, art, etc.
Our mission is to host the
greatest Goan Festival ever,
provide fabulous hospitality,
networking, an outstanding
program and entertainment. Our
theme is G.I.A.N.T.: 'Goan
Identity And Networking Today.'
We look forward to welcoming
you here and for your continued
participation and support. Come
let us all work to make this
wonderful Convention a great
success. The 2008 Toronto
International Goan Convention
will be inaugurated on Wed., 23rd
July by the Hon. NRI
Commissioner / his
representative, Government of
India, in the presence of the
Consul-General of India, the
Indian Ambassador to Canada,
and other dignitaries from both
the Governments of Canada and
India. We come together to
rebirth the legacy of our
motherland and God willing, build
a truly wonderful international
Goan centre abroad, dedicated to
the preservation of our magical
